

Solutions II — Success & Growth

Secure IT solutions & managed services • Founded 1992 • Littleton, Colorado

"Perform Ahead
of the Curve"
OUR PROMISE

Since **1992**, Solutions II has helped organizations build secure, resilient technology environments — and grown into a nationally recognized leader by **deepening trust, not chasing size**. We serve public safety, casino & gaming, healthcare, consumer packaged goods, and commercial enterprise, including government agencies and Fortune 1000 firms. **We grow when our clients and our people grow.**

WHAT WE DO

Cybersecurity

Data & network security, identity access, and attack surface management (ASM Illuminate).

Managed Services

Running & protecting data center, cloud, and backup — 24/7/365.

Infrastructure & AI

Modernizing infrastructure and preparing organizations to adopt AI safely.

WHAT DRIVES OUR SUCCESS

Passion

Disciplined daily effort & teamwork.

Integrity

Honesty & transparency — part of our DNA.

Quality

Results we stand behind, guaranteed.

Client Success

Responsive, disciplined, consistent, relevant.

GROWTH IN ACTION

In **2025**, Solutions II acquired **Vertical VAR** — an Atlanta IBM partner founded in 1999 — expanding into the **Southeast**, one of the country's fastest-growing tech corridors. Vertical VAR kept its name, now operating as "Vertical VAR, a Solutions II Company" — trust and brand preserved.

"We're not just investing in geography — we're investing in capability and trust."
— Todd Bowling, President & CEO
